**Western Forest Products Inc.**

Western is an integrated Canadian forest products company, and is the largest coastal British Columbia woodland operator and lumber producer. The Company has an annual available harvest of approximately 6.4 million cubic metres of timber, of which approximately 6.2 million cubic metres is from Crown lands. Western has a lumber capacity in excess of 1.1 billion board feet from seven sawmills and two remanufacturing plants. Principal activities conducted by the Company include timber harvesting, reforestation, sawmilling logs into lumber and wood chips, and value-added remanufacturing. Substantially all of Western's operations, employees and corporate facilities are located in the coastal region of British Columbia, while its products are sold in over 25 countries worldwide.
