**About Western Forest Products Inc.**

Western is an integrated Canadian forest products company and the largest coastal British Columbia timberlands operator and lumber producer. The Company has an annual available harvest of approximately 6 million cubic metres of timber, of which 5.8 million cubic metres is from Crown lands. Western has a lumber capacity of approximately 1.1 billion board feet from seven sawmills. Principal activities of the Company include timber harvesting, sawmilling logs into specialty lumber, and value added remanufacturing. With operations and employees primarily on the coast of British Columbia and one location in Washington State, Western is a premier supplier of high-value, specialty forest products to markets worldwide.
